JEFFRIES SAYS REFEREE CHOICE MOST IMPORTANT

By JAMES J. JEFFRIES,

Former Heavyweight Champion of the World.

LOS ANGELES, Cal., May 15.—I notice that Tex Rickard has announced that he is not worrying over the selection of a referee for the Willard-Dempsey bout at Toledo July 4, and I doubt if the fans have given much consideration, but it is a question that should have a lot of thought before a referee is named.

It is doubtful if there has ever been a match for the heavyweight championship where a referee has had as great a responsibility. That may sound odd to some, but just think it over.

Referee To Be Named For Bout Today

TOLEDO, May 15.—The referee for the Willard-Dempsey championship contest is to be named today.

The commission's present rule that no decision may be made provided both contestants are on their feet at the end of a twelve-round bout may be amended. The switch is contemplated because the bout may go the full distance and a referee's decision would then be necessary to decide the winner.
